With a Simple Push of the “SEND” Button ... You May “SEND” the Wrong Message!

Attend and you'll:

- Write and respond to e-mails faster
- Stop fumbling over how to begin ... no more writer's block!
- Add professional polish to everything you write
- Write e-mails with confidence so you won't offend anyone by your tone
- Eliminate wordiness and improve clarity
- Sound more authoritative and persuasive
- Eliminate grammatical errors and other mistakes that damage your credibility

AND MORE!

Have you ever sent an e-mail you regretted later? Then you know just how easy it is to send the WRONG message!

When you send e-mails that are unclear, you leave others confused. When your e-mails contain errors, you risk tarnishing your reputation. Worse, when your e-mails project the wrong tone, you may even damage critical business relationships!

When as much as 90 percent of your written business communication today is by e-mail, how do you make sure this technological wonder doesn't come back to bite you as a “miscommunication tool”?

A writing program geared to today's professionals

The answer to this dilemma is *The E-mail and Business Writing Workshop*. In just one day, you'll learn proven tips and techniques that guarantee every message you write – in e-mails, letters, memos, and reports – will be polished and on target, representing both you and your organization in a highly professional manner. You'll deliver the exact message you intend, for the exact results you need!

Solid business writing skills are more important than ever before.

This essential program is headed your way just in time, because writing is back at the forefront of importance in business. In fact, you probably communicate more often by e-mail than

telephone and often substitute it for face-to-face exchanges. Most of us do! Yet those often brief snippets you type and send so quickly can result in stressful hours in the hot seat later, with you explaining, “Well, what I meant to say was ...”

Learn how to avoid common mistakes when writing e-mail.

Are ya writin' e-mail just like ya talk? Or sending wordy e-mail epistles that read like a formal business report? Big mistakes! This training sets the record straight on what you should and should not do when drafting any business communication, especially e-mails.

We'll discuss the top errors people make and how you can avoid them. You'll also get in on the latest e-mail etiquette and find out how to craft shorter messages without sacrificing content.

Not a strong writer? This workshop is for you!

About four out of five business professionals admit on surveys that they're not strong writers, and you may well be among them. If so, this workshop was created for you.

Packed with secrets the pros use to take the hassle out of writing, this training covers how to organize your thoughts, get off to a quick start, communicate persuasively in any situation – and pass the “red pen test” for grammar and wordiness. You'll also learn tons of time-savers to slash your writing time.

Get the training you need to make all your written communication shine!

The E-mail and Business Writing Workshop is a fast, fun way to get the essential writing skills you need to communicate clearly and confidently in everything you write on the job. Spend just a day with us, and all your written communication from now on will reflect the true professional you are.

Enroll online at www.NationalSeminarsTraining.com or call 1-800-258-7246.

Writing Is “Fun”-damentally Important to Your Career
